PART I
ELIGIBILITY AND TERMINATION PROVISIONS

Eligibility: Each person who belongs to one of the "Classes of Persons To Be Insured" as set forth in the application is eligible to be insured under this policy. The Named Insured must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, Internet, and television (TV) courses do not fulfill the eligibility requirements that the Named Insured actively attend classes. The Company maintains its right to investigate eligibility or student status and attendance records to verify that the policy eligibility requirements have been met. If and whenever the Company discovers that the policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured (as defined) shall be determined in accordance with the following:

- 1) If a Named Insured has Dependents on the date he or she is eligible for insurance; or
- 2) If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
 - (a) On the date the Named Insured marries the Dependent; or
 - (b) On the date the Named Insured acquires a dependent child who is within the limits of a dependent, unmarried child set forth in the "Definitions" section of this policy.

Dependent eligibility expires concurrently with that of the Named Insured.

Eligible persons may be insured under this policy subject to the following:

- 1) Payment of premium as set forth on the policy application; and,
- 2) Application to the Company for such coverage.

Effective Date: Insurance under this policy shall become effective on the later of the following dates:

- 1) The Effective Date of the policy; or
- 2) The date premium is received by the Administrator.

Dependent coverage will not be effective prior to that of the Named Insured.

Termination Date: The coverage provided with respect to the Named Insured shall terminate on the earliest of the following dates:

- 1) The last day of the period through which the premium is paid; or
- 2) The date the policy terminates.

The coverage provided with respect to any Dependent shall terminate on the earliest of the following dates:

- 1) The last day of the period through which the premium is paid;
- 2) The date the policy terminates; or
- 3) The date the Named Insured's coverage terminates.

PART II
GENERAL PROVISIONS

ENTIRE CONTRACT CHANGES: This policy, including the endorsements and attached papers, if any, and the application of the Policyholder shall constitute the entire contract between the parties. No agent has authority to change this policy or to waive any of its provisions. No change in the policy shall be valid until approved by an executive officer of the Company and unless such approval be endorsed hereon or attached hereto. Such an endorsement or attachment shall be effective without the consent of the Insured Person but shall be without prejudice to any claim arising prior to its Effective Date. All statements made by the Policyholder shall, in the absence of fraud, be deemed representations and not warranties, and no such statements shall be used in defense to a claim under the policy, unless it is contained in a written application.

GENERAL PROVISIONS (Continued)

PAYMENT OF PREMIUM: All premiums are payable in advance for each policy term in accordance with the Company's premium rates. The full premium must be paid even if the premium is received after the policy Effective Date. There is no pro-rata or reduced premium payment for late enrollees. There will be no refunds to students who cancel coverage under the policy; unless the Insured enters the armed forces.

Premium adjustments involving return of unearned premiums to the Policyholder will be limited to a period of 12 months immediately preceding the date of receipt by the Company of evidence that adjustments should be made. Premiums are payable to the Company, P.O. Box 809026, Dallas, Texas 75380-9026.

NOTICE OF CLAIM: Written notice of claim must be given to the Company within 90 days after the occurrence or commencement of any loss covered by this policy, or as soon thereafter as is reasonably possible. Notice given by or on behalf of the Named Insured to the Company, P.O. Box 809025, Dallas, Texas 75380-9025 with information sufficient to identify the Named Insured shall be deemed notice to the Company.

CLAIM FORMS: Claim forms are not required.

PROOF OF LOSS: Written proof of loss must be furnished to the Company at its said office within 90 days after the date of such loss. Failure to furnish such proof within the time required will not invalidate nor reduce any claim if it was not reasonably possible to furnish proof. In no event except in the absence of legal capacity shall written proofs of loss be furnished later than one year from the time proof is otherwise required.

TIME OF PAYMENT OF CLAIM: Indemnities payable under this policy for any loss will be paid upon receipt of due written proof of such loss.

PAYMENT OF CLAIMS: All or a portion of any indemnities provided by this policy may, at the Company's option, and unless the Named Insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the Hospital or person rendering such service. Otherwise, accrued indemnities will be paid to the Named Insured or the estate of the Named Insured. Any payment so made shall discharge the Company's obligation to the extent of the amount of benefits so paid.

PHYSICAL EXAMINATION: As a part of Proof of Loss, the Company at its own expense shall have the right and opportunity: 1) to examine the person of any Insured Person when and as often as it may reasonably require during the pendency of a claim; and, 2) to have an autopsy made in case of death where it is not forbidden by law. The Company has the right to secure a second opinion regarding treatment or hospitalization. Failure of an Insured to present himself or herself for examination by a Physician when requested shall authorize the Company to: (1) withhold any payment of Covered Medical Expenses until such examination is performed and Physician's report received; and (2) deduct from any amounts otherwise payable hereunder any amount for which the Company has become obligated to pay to a Physician retained by the Company to make an examination for which the Insured failed to appear. Said deduction shall be made with the same force and effect as a Deductible herein defined. Failure to comply with the requirements of this provision shall not reduce any claim if extenuating circumstances beyond the control of the Insured prevented the Insured from notifying the Company of his or her inability to present himself or herself for the scheduled examination.

LEGAL ACTIONS: No action at law or in equity shall be brought to recover on this policy prior to the expiration of 60 days after written proofs of loss have been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of 3 years after the time written proofs of loss are required to be furnished.

GENERAL PROVISIONS (Continued)

SUBROGATION: The Company shall be subrogated to all rights of recovery which any Insured Person has against any person, firm or corporation to the extent of payments for benefits made by the Company to or for benefit of an Insured Person. The Insured shall execute and deliver such instruments and papers as may be required and do whatever else is necessary to secure such rights to the Company. This Subrogating provision will not apply to judgments received under the Motor Vehicle Financial Responsibility Law, No-fault Automobile Insurance, or Medical Malpractice. Subrogation under this provision is subject to the extent provided by law.

RIGHT OF RECOVERY: Payments made by the Company which exceed the Covered Medical Expenses (after allowance for Deductible and coinsurance clauses, if any) payable hereunder shall be recoverable by the Company from or among any persons, firms, or corporations to or for whom such payments were made or from any insurance organizations who are obligated in respect of any covered Injury or Sickness as their liability may appear.

MORE THAN ONE POLICY: Insurance effective at any one time on the Insured Person under another student policy, or policies in this Company is limited to the one such policy elected by the Insured Person, his beneficiary or his estate, as the case may be, and the Company will return all premiums paid for all other such policies.

PART III DEFINITIONS

ADOPTED CHILD means the adopted child placed with an Insured while that person is covered under this policy. Such child will be covered from the moment of placement for the first 31 days. The Pre-existing Conditions limitation will not apply to an adoptive child. The Insured must notify the Company, in writing, of the adopted not more than 30 days after placement or adoption.

In the case of a newborn adopted child, coverage begins at the moment of birth if a written agreement to adopt such child has been entered into by the Insured prior to the birth of the child, whether or not the agreement is enforceable. However, coverage will not continue to be provided for an adopted child who is not ultimately placed in the Insured's residence.

The Insured will have the right to continue such coverage for the child beyond the first 31 days. To continue the coverage the Insured must, within the 31 days after the child's date of placement: 1) apply to us; and 2) pay the required additional premium, if any, for the continued coverage. If the Insured does not use this right as stated here, all coverage as to that child will terminate at the end of the first 31 days after the child's date of placement.

COMPLICATION OF PREGNANCY means: a) conditions requiring medical treatment prior or subsequent to the termination of pregnancy whose diagnoses are distinct from pregnancy but which are adversely affected by pregnancy or caused by pregnancy, such as acute nephritis, nephrosis, cardiac decompensation, missed abortion, disease of the vascular hemopoietic, nervous, or endocrine systems, and similar medical and surgical conditions of comparable severity; but will not include false labor, occasional spotting, Physician prescribed rest during the period of pregnancy, morning sickness and similar conditions associated with the management of a difficult pregnancy not constituting a classifiably distinct complication of pregnancy; and b) hyperemesis gravidarum and pre-eclampsia requiring Hospital Confinement, ectopic pregnancy which is terminated, and spontaneous termination of pregnancy which occurs during a period of gestation in which a viable birth is not possible; and c) conditions requiring medical treatment after the termination of pregnancy whose diagnoses are distinct from pregnancy but which are adversely affected by pregnancy or caused by pregnancy.

Covered Medical Expenses will be deemed "incurred" only: 1) when the covered services are provided; and 2) when a charge is made to the Insured Person for such services.

DEFINITIONS *(Continued)*

DEDUCTIBLE means if an amount is stated in the Schedule of Benefits or any endorsement to this policy as a deductible, it shall mean an amount to be subtracted from the amount or amounts otherwise payable as Covered Medical Expenses before payment of any benefit is made. The deductible will apply per policy year or per occurrence (for each Injury or Sickness) as specified in the Schedule of Benefits.

DEPENDENT means the spouse (husband or wife) of the Named Insured and their dependent, unmarried children. Children shall cease to be dependent on the first to occur of:

- 1) The end of the month in which they marry; or,
- 2) The end of the month in which they attain the age of nineteen (19) years.

The attainment of the limiting age will not operate to terminate the coverage of such child while the child is and continues to be both:

- 1) Incapable of self-sustaining employment by reason of mental retardation or physical handicap; and,
- 2) Chiefly dependent upon the Insured Person for support and maintenance.

Proof of such incapacity and dependency shall be furnished to the Company: 1) by the Named Insured; and, 2) within 31 days of the child's attainment of the limiting age. Subsequently, such proof must be given to the Company annually following the child's attainment of the limiting age.

If a claim is denied under the policy because the child has attained the limiting age for dependent children, the burden is on the Insured Person to establish that the child is and continues to be handicapped as defined by subsections (1) and (2).

ELECTIVE SURGERY OR ELECTIVE TREATMENT means those health care services or supplies that do not meet the health care need for a Sickness or Injury. Elective surgery or elective treatment includes any service, treatment or supplies that: 1) are deemed by the Company to be research or experimental; or 2) are not recognized and generally accepted medical practices in the United States.

HOSPITAL means an institution: 1) operated pursuant to law which is licensed or approved as a hospital by the responsible state agency; 2) primarily engaged in providing medical care and treatment of sick or injured persons on an in-patient basis for which a charge is made; and 3) which provides 24 hour nursing service by or under the supervision of registered graduate professional nurses (R.N.'s). Hospital does not include: 1) any military or veterans hospital or soldiers home or any hospital contracted for or operated by any national government or agency thereof for the treatment of members or ex-members of the armed forces, unless the Insured is legally required to pay when admitted to such facility; 2) convalescent homes, convalescent, rest, or nursing facilities; or 3) facilities primarily for the aged, drug or alcoholic rehabilitation, and those primarily affording custodial or educational care.

INJURY means bodily injury: 1) causing loss directly or independently of all other causes 2) treated by a Physician within 30 days after the date of accident; and 3) which is sustained on or after the Effective Date of insurance as to the Insured Person during the term of the policy. Covered Medical Expenses incurred as a result of an injury that occurred prior to this policy's Effective Date will be considered a Sickness under this policy.

DEFINITIONS (Continued)

INSURED PERSON means: 1) the Named Insured; and, 2) Dependents of the Named Insured, if: 1) the Dependent is properly enrolled in the program, and 2) the appropriate Dependent premium has been paid. The term "Insured" also means Insured Person.

INTENSIVE CARE means: 1) a specifically designated facility of the Hospital that provides the highest level of medical care; and 2) which is restricted to those patients who are critically ill or injured. Such facility must be separate and apart from the surgical recovery room and from rooms, beds and wards customarily used for patient confinement. They must be: 1) permanently equipped with special life-saving equipment for the care of the critically ill or injured; and 2) under constant and continuous observation by nursing staff assigned on a full-time basis, exclusively to the intensive care unit. Intensive care does not mean any of these step-down units:

- 1) Progressive care;

- 4) Serious dysfunction of any body organ or part; or

- 4) Not primarily for the convenience of the Insured, or the Insured's Physician; and,

The Medical Necessity of being Hospital Confined means that: 1) the Insured requires acute care as a bed patient; and, 2) the Insured cannot receive safe and adequate care as an outpatient.

This policy only provides payment for services, procedures and supplies which are a Medical Necessity. No benefits will be paid for expenses which are determined not to be a Medical Necessity, including any or all days of Hospital Confinement.

MENTAL AND NERVOUS DISORDER means a Sickness that is a neurosis, psychoneurosis, psychopathy, or psychosis without demonstrable organic origin. Mental and Nervous Disorder does not mean a Serious Mental Illness as defined in the Benefits for Serious Mental Illness. If not excluded or defined elsewhere in the policy, all diagnoses classified as a "Mental Disorder" according to the (International Classification of Diseases) are considered one Sickness.

No payment will be made under this policy for any expenses incurred which in the judgment of the Company are in excess of Usual and Customary Charges.

PART IV

EXTENSION OF BENEFITS AFTER TERMINATION

The coverage provided under this policy ceases on the Termination Date. However, if an Insured incurs medical expenses within 30 days of the Termination Date from a covered Injury or Sickness for which benefits were paid before the Termination Date, Covered Medical Expenses for such Injury or Sickness will continue to be paid as long as the condition continues:

PREFERRED PROVIDER INFORMATION

“**Preferred Providers**” are the Physicians, Hospitals and other health care providers of Devon who have contracted to provide specific medical care at negotiated prices.

The availability of specific providers is subject to change without notice. Insured’s should always confirm that a Preferred Provider is participating at the time services are required by calling the Company at 1-800-767-0700 and/or by asking the provider when making an appointment for services.

“**Preferred Allowance**” means the amount a Preferred Provider will accept as payment in full for Covered Medical Expenses.

“**Out of Network**” providers have not agreed to any prearranged fee schedules. Insured’s may incur significant out-of-pocket expenses with these providers. Charges in excess of the insurance payment are the Insured’s responsibility.

Regardless of the provider, each Insured is responsible for the payment of their Deductible. The Deductible must be satisfied before benefits are paid. The Company will pay according to the benefit limits in the Schedule of Benefits.

Inpatient Hospital Expenses

PREFERRED HOSPITALS - Eligible inpatient Hospital expenses at a Preferred Hospital will be paid at 80%, up to any limits specified in the Schedule of Benefits. Call (800) 767-0700 for information about Preferred Hospitals.

OUT-OF-NETWORK HOSPITALS - If care is provided at a Hospital that is not a Preferred Provider, eligible inpatient Hospital expenses will be paid according to the benefit limits in the Schedule of Benefits.

Outpatient Hospital Expenses

Preferred Providers may discount bills for outpatient Hospital expenses. Benefits are paid according to the Schedule of Benefits. Insureds are responsible for any amounts that exceed the benefits shown in the Schedule, up to the Preferred Allowance.

Professional & Other Expenses

Benefits for Covered Medical Expenses provided by Preferred Providers will be paid at the coinsurance percentage limits specified in the Schedule of Benefits. All other providers will be paid according to the benefit limits in the Schedule of Benefits.

PART VI
MEDICAL EXPENSE BENEFITS - INJURY AND SICKNESS

Benefits are payable for Covered Medical Expenses (see "Definitions") less any Deductible incurred by or for an Insured Person for loss due to Injury or Sickness subject to: a) the Maximum Benefit for all services; b) the maximum amount for specific services; both as set forth in the Schedule of Benefits; and c) any coinsurance amount set forth in the Schedule of Benefits or any endorsement hereto. The total payable for all Covered Medical Expenses shall never exceed the Maximum Benefit stated in the Schedule of Benefits. Read the "Definitions" section and the "Exclusions and Limitations" section carefully.

No benefits will be paid for services designated as "No Benefits" in the Schedule of Benefits or for any matter described in "Exclusions and Limitations." If a benefit is designated, Covered Medical Expenses include:

1. **Room and Board Expense:** 1) daily semi-private room rate when Hospital Confined; and 2) general nursing care provided and charged by the Hospital.
2. **Intensive Care:** If provided in the Schedule of Benefits.
3. **Hospital Miscellaneous Expenses:** 1) while Hospital Confined; or 2) as a precondition for being Hospital Confined. **PART VIII
COORDINATION OF BENEFITS PROVISION**

Definitions

- (1) **Allowable Expenses:** Any necessary, reasonable, and customary item of expense, a part of which is covered by at least one of the Plans covering the Insured Person.

An Allowable Expense to a Secondary Plan includes the value or amount of any Deductible Amount or Coinsurance Percentage or amount of otherwise Allowable Expenses which was not paid by the Primary or first paying Plan.

- (2) **Plan:** A group insurance plan or health service corporation group membership plan or any other group benefit plan providing medical or dental care treatment benefits or services. Such group coverages include: (a) group or blanket insurance coverage, or any other group type contract or provision thereof; this will not include school accident coverage or group hospital indemnity plan of \$100 per day or less; (b) service plan contracts, group practice and other pre-payment group coverage; (c) any coverage under labor-management trustees plans, union welfare plans, employer and employee organization plans; and (d) coverage under governmental programs, including Medicare, and any coverage required or provided by statute; this will not include a state plan under Medicaid, and will not include a law or plan when, by law, its benefits are excess to those of a private insurance plan or other non-governmental plan.
- (3) **Primary:** The Plan which pays regular benefits.
- (4) **Secondary:** The Plan which pays a reduced amount of benefits which, when added to the Primary Plan's benefits will not be more than the Allowable Expenses.
- (5) **We, Us or Our:** The Company named in the policy.

Effect on Benefits - If an Insured Person has medical and/or drug coverage under any other Plan, all of the benefits provided are subject to coordination of benefits.

During any policy year or benefit period, the sum of the benefits that are payable by Us and those that are payable from another Plan may not be more than the Allowable Expenses.

During any policy year or benefit period, We may reduce the amount We will pay so that this reduced amount plus the amount payable by the other Plans will not be more than the Allowable Expenses. Allowable Expenses under the other Plan include benefits which would have been payable if a claim had been made.

However, if: (1) the other Plan contains a section which provides for determining its benefits after Our benefits have been determined; and (2) the order of benefit determination stated herein would require Us to determine benefits before the other Plan, then the benefits of such other Plan will be ignored in determining the benefits We will pay.

This Plan determines its order of benefits using the first of the following rules which applies:

- (1) If your other Plan does not have Coordination of Benefits, that Plan pays first.
- (2) Non-Dependent/Dependent. The benefits of the Plan which covers the person as an employee, member or subscriber are determined before those of the Plan which covers the person as a Dependent.
- (3) Dependent Child/Parents Not Separated or Divorced. Except as stated in subparagraph (B)(3) below, when This Plan and another Plan cover the same child as a Dependent of different persons, called "parents":
- a. the benefits of the Plan of the parent whose birthday falls earlier in a year exclusive of year of birth are determined before those of the Plan of the parent whose birthday falls later in that year; but
 - b. if both parents have the same birthday, the benefits of the Plan which covered the parent longer are determined before those of the Plan which covered the other parent for a shorter period of time.

However, if the other Plan does not have the rule described in a. above, but instead has a rule based upon the gender of the parent, and if, as a result, the Plans do not agree on the order of benefits, the rule in the other Plan will determine the order of benefits.

COORDINATION OF BENEFITS PROVISION *(Continued)*

- (4) Dependent Child/Separated or Divorced Parents. If two or more Plans cover a person as a Dependent child of divorced or separated parents, benefits for the child are determined in this order:
- a. first, the Plan of the parent with custody of the child;
 - b. then, the Plan of the spouse of the parent with the custody of the child; and
 - c. finally, the Plan of the parent not having custody of the child.

However, if the specific terms of a court decree state that one of the parents is responsible for the health care of the child, and the entity obligated to pay or provide the benefits of the Plan of that parent has actual knowledge of these terms, the benefits of that Plan are determined first.

- (5) Longer/Shorter Length of Coverage. If none of the above rules determines the order of benefits, the benefits of the Plan which covered an employee, member or subscriber longer are determined before those of the Plan which covered that person for the shorter time.

Right to Recovery and Release of Necessary Information - For the purpose of determining applicability of and implementing the terms of this Provision, We may, without further consent or notice, release to or obtain from any other insurance company or organization any information, with respect to any person, necessary for such purposes. Any person claiming benefits under Our coverage shall give Us the information We need to implement this Provision. We will give notice of this exchange of claim and benefit information to the Insured Person when any claim is filed.

Facility of Payment and Recovery - Whenever payments which should have been made under our Coverage have been made under any other Plans, We shall have the right to pay over to any organizations that made such other payments, any amounts that are needed in order to satisfy the intent of this Provision. Any amounts so paid will be deemed to be benefits paid under Our coverage. To the extent of such payments, We will be fully discharged from Our liability.

Whenever We have made payments with respect to Allowable Expenses in total amount at any time, which are more than the maximum amount of payment needed at that time to satisfy the intent of this Provision, We may recover such excess payments. Such excess payments may be received from among one or more of the following, as We determine: any persons to or for or with respect to whom such payments were made, any other insurers, service plans or any other organizations.

This Coordination of Benefits Provision will not be applied to the first \$100 of medical expenses incurred.

If the policy contains a Deductible provision, the Deductible provision will not be applied to the first \$100 of medical expenses incurred.
